

Revised System Design

SHIFTSNAP — DESIGN SYSTEM

STEP A: COLOR PALETTE

- **Primary (Deep Navy Blue - #0D3B66):** Used for App bar background, floating action buttons (FAB), primary confirm buttons, and header text.
- **Secondary / Accent (Warm Amber - #F4A261):** Used for the left accent borders on the Next Shift and Review Shift cards, countdown text, and modal accent borders.
- **Surface (White - #FFFFFF):** Used for standard shift cards, modal backgrounds, and camera instruction overlays.
- **Background (Black/Dark - #000000):** Used as the primary app background behind the cards to make the white surfaces pop.
- **Error / Destructive (Soft Red - #E76F51):** Used for delete icons and the "Discard" button in the edit modal.
- **Text (Dark Slate - #1E293B):** Used for standard typography on white surfaces (shift times, dates).

STEP B: TYPE SCALE

- **Header (22sp, Bold, White):** App bar title ("ShiftSnap").
- **Section Title (18sp, Bold, Navy/White):** "Next Shift", "Upcoming Shift".
- **Highlight (20sp, Bold, Dark Slate):** Shift dates in the shift cards (e.g., "Tue, Oct 24").
- **Body (16sp, Regular):** Shift times (e.g., "8:00 AM - 3:00 PM"), button text, modal field inputs.
- **Caption (13sp, Regular, Muted):** "Your Next Shift", "Morning Shift" (Shift Title label), countdowns ("in 2 hours").

STEP C: SPACING RULE

- **Base unit: 8px**
- **Tight spacing (8px):** Between elements inside a card (e.g., between the Shift Title and Date).
- **Standard spacing (16px):** Padding inside cards, modal windows, and between vertically stacked shift cards.
- **Screen edge padding (16px):** Left and right margins for all UI elements outside the app bar.

STEP D: REUSABLE COMPONENTS

- **COMPONENT 1: GLOBAL APP BAR**
 - *Appears on:* All main screens.
 - *Looks like:* Deep Navy Blue block at the top of the screen.
 - *Contains:* White hamburger menu icon (left) and "ShiftSnap" title (center).
- **COMPONENT 2: NEXT SHIFT HERO CARD**
 - *Appears on:* Home Screen.
 - *Looks like:* Surface white rounded rectangle with an Amber left border.
 - *Contains:* "Your Next Shift" label, bold Date, Time range, and Amber countdown text.
- **COMPONENT 3: STANDARD SHIFT CARD (HOME)**

- *Appears on:* Home Screen (under "Upcoming Shift").
- *Looks like:* Simple outlined surface white rounded rectangle. Single row layout.
- *Contains:* Bold Date (left) and Time range (right).
- **COMPONENT 4: REVIEW SHIFT CARD**
 - *Appears on:* Review Screen.
 - *Looks like:* Surface white rounded rectangle with an Amber left border.
 - *Contains:* Shift Title (e.g., "Morning Shift"), bold Date, Time range. Trailing edit icon (square with pencil) and delete icon (red square).
- **COMPONENT 5: EDIT POP UP (MODAL)**
 - *Appears on:* Triggered from Review Screen.
 - *Looks like:* Floating white surface overlay with an Amber left border, dimming the background screen.
 - *Contains:* Input fields for "Title", "Date", "Time", and "Add Description (Optional)". Bottom row features side-by-side buttons: "Confirm" (Navy) and "Discard" (Red).
- **COMPONENT 6: EMPTY STATE CARD**
 - *Appears on:* Empty Home Screen.
 - *Looks like:* Large, vertically centered white surface card.
 - *Contains:* Centered text reading "Capture your first Snap now".
- **COMPONENT 7: CAMERA OVERLAY & SHUTTER**
 - *Appears on:* Camera Screen.
 - *Looks like:* A white rounded rectangle floating over the viewfinder. Floating Action Button (FAB) at the bottom.
 - *Contains:* Overlay reads "Ensure photo is clear". Shutter is a Deep Navy circular FAB with a white camera icon.
- **COMPONENT 8: PRIMARY BUTTONS**
 - *Appears on:* Review Screen, Edit Pop Up.
 - *Looks like:* Solid filled rounded rectangles.
 - *Contains:* Navy for positive actions ("Confirm & Save", "Confirm"), Red for destructive actions ("Discard").
